WHO AM I

4 Pillars of Self-Leadership

Transformative Strategies for Accelerated Growth

WHAT SOME OF MY CLIENTS SAY

"My staff and I are still speechless after your keynote. I personally have never been this emotional after listening to someone speak and hearing their story, but your transparency and authentic approach has opened so many doors of communication with my staff. I discovered the type of leader that I was not being and your speech has changed my leadership style because now I know how I was impacting my staff."

-Melissa Gantt, U.S. EPA

"Mr. Mosley is a dynamic speaker who effortlessly connects with his audience. His speaking style is eloquent and down to earth. He was very professional and very well-dressed. I would highly recommend Ed Mosley as a speaker for your next upcoming motivational keynote."

-Kevin Nida, FirstNet Authority

LEVELS OF TRANSFORMATIONAL LEADERSHIP

LIMITLESS LEADERSHIP THROUGH SELF-DISCOVERY

This results-driven program is designed to guide leaders to discover their leadership style through self-exploration. Audience members will learn how to identify core components of leadership and be instilled with a sense of direction that will increase personal effectiveness, improve team performance, and enhance decision-making.

By mastering authentic leadership approaches, attendees will enhance communication across all organizational levels, instill a shared vision, and amplify both their effectiveness and personal performance. Acquire invaluable insights into intentional change theory and self-discovery techniques that directly elevate leadership capabilities and team performance.

AFTER THIS PROGRAM YOU WILL BE ABLE TO:

- Explore and develop a personal vision of your ideal self as a leader through introspection and Intentional Change Theory (ICT).
- Determine how self-discovery impacts your leadership abilities and experience an elevated sense of self-awareness and clarity.
- Develop the powerful skill of openness and transparency to achieve greater results while cultivating adaptability to navigate challenges with ease.

INNOVATE LEADERSHIP: NAVIGATING IMPACTFUL CHANGE

During this presentation, leaders will be infused with techniques that develop agility, even during times of uncertainty while achieving team commitment and resiliency. Organizations will be equipped with the tools to create alignment, and adaptability, ultimately achieving sustainable results and driving positive transformation.

Attendees will learn how to design a change plan, maintain forward momentum, and implement measurable leadership processes while forecasting milestones and potential pitfalls that could stagnate the change effort.

AFTER THIS PROGRAM YOU WILL BE ABLE TO:

- Identify key areas that require change and learn best practices on change management models and strategies.
- A comprehensive understanding of change leadership and its pivotal role in organizational success.
- Implement a change process plan using a proven 6-step CHANGE Model.

STRATEGIC LEADERSHIP: IGNITING SUCCESS WITH PURPOSE

Learn a crucial framework for organizations to effectively translate vision into action, navigate complexities, and achieve desired outcomes. In today's competitive landscape, mastering strategic management is essential for adapting to change, seizing opportunities, and driving sustainable growth. This program equips leaders with the tools to develop and execute strategic plans, fostering resilience and maintaining a competitive edge in evolving markets.

Audience members will learn techniques to improve communication, overcome obstacles, identify core competencies, improve performance on all levels, and be equipped with the tools to manage effectively while leading with empathy. After this eye-opening presentation attendees will walk away with a renewed sense of purpose that ignites success within teams and the entire organization.

AFTER THIS PROGRAM YOU WILL BE ABLE TO:

- Guide organizational direction while developing character and overcoming obstacles to achieve greater results.
- Translate vision into action, navigate complexities, and achieve desired outcomes while growing your team and scaling your entire organization.
- Develop and execute strategic plans, fostering resilience and maintaining a competitive edge in evolving markets.

"I had never utilized a coach before but thought it couldn't hurt. I sat down with Edward and he walked me through the process and asked a ton of questions. Over a number of sessions, he helped me to see what were the most important things I was seeking in my career goals. He then worked with me to shape my resume so that it spoke directly to the positions that I was seeking. I saw an immediate improvement—going from almost no callbacks to either being best qualified to select. I highly recommend Edward as a coach. He can help you articulate your vision of your future."

-Jonathon Luckett, Department of Defense

"I found Edward's book - The Journey of a Faith Walker A Broken Man - refreshing and authentic! His unique ability to share some of the most darkest and trying times in his life helped me greatly! His Journey, His Triumph, and His undiscovered next chapter are reminders to all that we to can prevail on our individual journeys as faith walkers."

- Cedric Turner, Geico Insurance

"Mr. Mosley is a dynamic speaker who effortlessly connects with his audience. His speaking style is eloquent and down to earth. He was very professional and very well-dressed. I would highly recommend Ed Mosley as a speaker for your next upcoming motivational keynote."

MY STORY

As a football and basketball coach of over 25 years, Edward uses his passion for sports as a platform to mentor and coach youth, adults, families, and organizations. He enjoys helping and supporting his community and volunteers regularly to help his community better itself.

Edward has turned his pain into purpose and uses his experience to uplift others. Having lost his mother-in-law to Lung Cancer in April 2010, and then his wife suddenly 7 months later in Oct 2010 to the rare disease of Appendix Cancer, Edward has developed proven techniques and strategies to help his clients overcome any obstacles to shift their mindset to achieve self-discovery.

Edward makes it easy for his audiences to connect because they are able to actually see that it is possible to overcome any situation through a partnership in coaching.

Edward is a Marine Combat Veteran of 21 years of faithful service, an author, inspirational speaker, coach/facilitator, change influencer, and a native of Dallas, Texas. Edward is deeply rooted in moral values and spirituality, which supports his approach to coaching with compassion. His book “The Journey of a Faith Walker_A Broken Man” is a powerful testament to just how real-life experiences of his past struggles, pain, hurt and brokenness allow him to fully speak to his clients exactly where they are in the change transformation process.

His goal is to help coach and inspire his clients to change their way of thinking to unlock their greatness by helping and supporting them discover their ideal self. “Living without Boundaries” is what his programs are all about! Understanding that life is short, he encourages laughter, love, and enjoyment of life to the fullest extent possible.
